Questionnaire on Mark

After six study sessions on the Gospel of Mark, it may be helpful to review what we have shared. Personally or in a group, answer the following questions. If you cannot do so, go over your topics again.

Who was Saint Mark the evangelist?

What can you say about the community of Saint Mark, for which he originally wrote this gospel?

What was his intention in writing his text?

According to Saint Mark, where does Jesus find the strength to carry out his mission?

What are the key teachings of the Gospel of Mark?

Only the one who follows Jesus understands his message. What does this mean for you?

How many accounts of the multiplication of the loaves are there in Mark? Why?

What is the "messianic secret," and what is Mark's intention in including it?

When were the verses that conclude the Gospel of Mark added?
